ALL ORDINARILY RESIDENT APPLICANTS MUST HAVE THE REQUIRED WORK AND/OR RESIDENCY PERMITS TO BE ELIGIBLE FOR CONSIDERATION.

The U.S. Embassy in Kinshasa is seeking an individual for the position of Health Commodities Logistics Specialist (CLS) in the USAID Health section.

BASIC FUNCTION OF POSITION

The incumbent is responsible for the management of commodities procurement and distribution under the USAID/DRC health portfolio. The timely procurement and distribution of malaria and other health commodities is a key component in the successful achievement of USAID health program objectives. Under the PMI program, USAID/DRC will procure large quantities of malaria commodities, including bed nets, artemisinin-based combination therapies, rapid diagnostic tests, sulfadoxine-pyrimethamine, and microscopes. Additional health commodities will be procured on a regular basis to support USAID/DRC's health activities. They include, but are not limited to, essential drugs, anti-tuberculosis drugs, antiretroviral drugs, contraceptives, HIV test kits, water purifying products and various laboratory supplies. The Mission will procure commodities in partnership with USAID/Washington mechanisms such as DELIVER, Strengthening Pharmaceutical System (SPS), Supply Chain Management System (SCMS), Central Contraceptive Procurement (CCP) and other mechanisms made available by USAID/Washington.

The incumbent's position is cross-cutting with duties supporting the President's Malaria Initiative and the HIV/AIDS program each representing 35% of the assignment for the full-time position, and the remaining 30 % providing support to the Integrated Health Program, family planning and other health program elements.

The incumbent will work closely with the Government of DRC supply chain management system to make sure U.S. government procured commodities are taken into account in the commodities pipeline and distributed as planned.

QUALIFICATIONS REQUIRED

NOTE: All applicants must address each selection criterion detailed below with specific and comprehensive information supporting each item.

Education: A minimum of a Bachelor degree in logistic management or equivalent is required.

Experience: Five years of progressively responsible professional-level experience in the field of public health is required; including experience in health commodities supply chain management. At least three years of this experience should have been in development assistance programs. Substantive experience in analyzing data and presenting findings in written or oral form and managing funds is also required.

Language Proficiency: Level IV (Fluent) English and French is required.

Knowledge: The incumbent must have a thorough knowledge of the principles, concepts, techniques and accepted procedures of program management, evaluation, reporting and budgeting.

Skills and Abilities: The incumbent must possess excellent interpersonal skills and be able to communicate effectively, both in speech and writing, with government technical officers and donors' counterparts. Must have the ability to conceptualize, manage and evaluate activities. S/he must have ability to operate efficiently word processors, office information systems and personal computers. Also, s/he must have good writing skills for purposes of reporting to USAID/W, and preparing reports, memoranda, etc.

A copy of the position description listing all duties and responsibilities is available in the Human Resources Office.

SELECTION CRITERIA

When equally qualified, US Citizen Eligible Family Members (AEFMs) and U.S. Veterans will be given preference. Therefore, it is essential that the candidate address the required qualifications above in the application. Management will consider nepotism/conflict of interest, budget, and residency status in determining successful candidacy. Currently employed US Citizen EFM's who hold a FMA appointment are ineligible to apply for advertised positions within the first 90 calendar days of their employment. Currently employed NORs hired under a Personal Services Agreement (PSA) are ineligible to apply for advertised positions within the first 90 calendar days of their employment, unless currently hired into a position with a When Actually Employed (WAE) work schedule. The candidate must be able to obtain and hold security and medical clearance.

TO APPLY

Interested applicants for this position must submit the following or the application will not be considered: Application for U.S. Federal Employment, [DS-174 - Job Application Form](#) or

1. A current resume or curriculum vitae that provides the same information as a DS-174;
2. Candidates who claim U.S. Veterans preference must provide a copy of their Form DD-214 with their application.
3. Any other documentation (e.g., essays, certificates, awards, copies of degrees earned) that addresses the qualification requirements of the position as listed above.

DEFINITIONS

1. AEFM: A U.S. citizen, at least 18 years of age, who is eligible for employment on a Family Member Appointment (FMA) provided s/he:
